RESPONSE TO SECOND EXAMINER'S ANSWER

MAIL STOP APPEAL BRIEF - PATENTS

Commissioner for Patents

P.O. Box 1450

Alexandria, VA 22313-1450

Sir:

An Examiner's Answer was mailed February 8, 2007, and appellant filed a Reply Brief on April 9, 2007. A second Examiner's Answer was mailed April 20, 2007. There was no explanation as to why a second Examiner's Answer was mailed, and no acknowledgement of the Reply Brief filed April 9, but from a comparison of the two Examiner's Answers it appears that the only difference is that in Section (8) at pages 2-3, the examiner has now listed the prior art (Saleh and Chraplyvy) relied on in rejecting the claims, in addition to the prior art (Islam) cited for the first time in the Examiner's Answer.

Appellant believes that all of the arguments set forth in the Reply Brief filed April 9, 2007 remain applicable, and repeat those arguments and incorporate them by reference into this further response, including the arguments at page 4 as to the impropriety of the examiner's reliance on Islam in this appeal proceeding.
